### Why NHTPL?

Management Consultants are needed by firms who wish to bring about some improvement in their organizations or are facing a problem and wish to solve it.

Management Consultants are hired by firms to gain external advice and the consultants' specialized expertise.

Since the consultants are exposed to and have relationships with many organizations, they are aware of the best practices in the industry, which the firm can use. In this client firms borrow staff members of consulting firms to occupy a position in their management hierarchy on a temporary basis.

1. Achieving Organizational Purposes and Objectives
2. Solving Management and Business Problems:
